Coach's Comments

We are very exited to welcome you all back to Spectrum to get started on a new season. We are all looking very much forward to getting out on the ice to see our first action. It has

been a busy schedule over the summer months putting a new roster together with many returning faces but also into double digits for new players. We have a lot of hope for this new group, and with some luck we will get through the season with far fewer injuries than we did a season ago. Last season had challenges in that area that we had not really seen to that extent for our 30+ year existence and if we can go that long again before running into that meat grinder we will all be thrilled! In addition to the initial line up, our pre season schedule looks a bit different with 3 challenge games, opening with a single game weekend on Saturday here when Amiens makes their 2nd visit in as many seasons. By the time we get to our opening League and Cup games mid September we will have had around 20 training sessions and head to head games against Cardiff and Coventry who make up a portion of our Cup group. We have a lot of work ahead but a lot to look forward to. We thank Amiens for their visit and wish them safe travels while here in the UK and onwards home for the season in front of them. Finally, thanks to all our season ticket holders for their great support and we hope everyone is ready for a full new slate of Flames hockey here at Spectrum.

Please enjoy the match while taking note of the following guidelines:

The lead up to face off includes strobe lighting effects; the use of air horns is strictly prohibited.

Anyone using foul or abusive language towards other supporters, players, rink and club staff or interfering with play, including throwing objects of any kind onto the ice, will be escorted from the building.

Finally, please watch out for flying pucks - they can cause extensive personal injury so please be alert.
